“Report of the Canadian Social Sciences Research Council for 1947-8”.

The *Eighth Annual Report* of the Canadian Social Science Research Council has been announced in the *Canadian Historical Review*. “The Council has launched a programme of research into French-English relations in Canada under a committee composed of Professors Keirstead, [Mc Gill], Lower [Queen’s], and Falardeau [Laval]. A series of studies are proposed on problems of bi-culturalism in Canada. The Carnegie Corporation has pledged financial support for the whole project”.
