BIBLIOGRAPHIE D'HISTOIRE DE L'AMÉRIQUE FRANÇAISE

(PUBLICATIONS RÉCENTES)

préparée depuis 1967 par le

Centre de bibliographie historique de l'Amérique française

sous la direction de Paul AUBIN (Institut québécois de recherche sur la culture)

Cette bibliographie est réalisée à partir du dépouillement systématique de plus de 400 périodiques.

Tous ces titres, de même que ceux-là que, faute d'espace, nous ne mentionnons pas dans la chronique de la *Revue*, sont ensuite versés dans la banque informatisée HISCABEQ; le recours à cette banque offre au chercheur la possibilité d'une mise à jour cumulative des données bibliographiques dans les champs de recherche qui l'intéressent.
