Bibliography: Recent Publications Relating to Canada's Urban Past

Bibliographie: Contributions récentes à l'histoire urbaine du Canada

Elizabeth Bloomfield

Preface/Préface

This bibliography will appear annually in each October issue of the *Urban History Review*. It is organized to follow the categories and format of A.F.J. Artibise and G.A. Stelter, *Canada's Urban Past: A Bibliography to 1980 and Guide to Canadian Urban Studies* (Vancouver: University of British Columbia Press, 1981).

The present list consists mainly of publications in the years 1979 to 1981, but items in the *Canada's Urban Past* bibliography are not included here. While the emphasis is on writings about urban Canada, some general works and statements which offer analogies, approaches and methods useful for Canadian studies have been cited.

Theses with a date of "c. 1980" were listed in the *Register of Post-Graduate Dissertations*, No. 16 (1981) compiled by the Canadian Historical Association. Users are advised that the thesis titles given here and in the Register may be slightly altered in the final, approved versions of the theses.

With the substantial number of publications of potential interest to Canadian urban history, we need help from the readers of the *Urban History Review*. Please send bibliographic references, especially for theses, discussion papers, articles on Canadian urban subjects published outside Canada and local history items, to:

Urban History Review/Revue d'histoire urbaine, Vol. X No. 2
(Oct./oct., 1981)

Chaque année, le numéro d'octobre de la *Revue d'histoire urbaine* contiendra une bibliographie conçue sur le modèle de A.F.J. Artibise et G.A. Stelter, *Canada's Urban Past: A Bibliography to 1980 and Guide to Canadian Urban Studies* (Vancouver: University of British Columbia Press, 1981). Les titres y seront classés selon les mêmes catégories.

La présente liste comprend principalement des publications des années 1979 à 1981, mais ne comprend pas les titres qui figurent dans *Canada's Urban Past*. Bien qu'il s'agisse surtout d'ouvrages traitant du Canada urbain, certains travaux généraux qui présentent des analogies, des méthodes ou des points de vue utiles aux études canadiennes ont été cités.

Les thèses parues autour de l'année 1980 et portant la mention "c. 1980" figurent dans le *Répertoire des thèses en cours*, n° 16 (1981), compilé par la Société historique du Canada. Il est à noter que les titres mentionnés ici ou dans le *Répertoire* peuvent différer légèrement dans leur version définitive.

En raison du nombre considérable de publications qui peuvent présenter un intérêt pour l'histoire du Canada urbain, nous sollicitons l'aide des lecteurs de la *Revue d'histoire urbaine*. Prière de faire parvenir toutes références bibliographiques, en particulier, de thèses, de documents de travail, d'articles portant sur le Canada urbain et publiés en-dehors du Canada ou de sujets relatifs à l'histoire locale, à:

Bibliographic references are welcome at any time of year; for inclusion in the 1982 list (to be published in October 1982) please send them in by the end of May 1982.

Les références bibliographiques peuvent être envoyées à tous moments, mais pour qu'elles paraissent dans l'édition 1982 (qui sortira en octobre 1982), il faut qu'elles soient reçues avant la fin du mois de mai 1982.
