LABOUR/LE TRAVAIL

JOURNAL OF CANADIAN
LABOUR STUDIES

Labour/Le Travail is the official publication of the Canadian Committee on Labour History. Since it began publishing in 1976, it has carried many important articles in the field of working-class history, industrial sociology, labour economics, and labour relations. Although primarily interested in a historical perspective on Canadian workers, the journal is interdisciplinary in scope. In addition to articles, the journal features documents, conference reports, an annual bibliography of materials in Canadian labour studies, review essays, and reviews. While the main focus of the journal's articles is Canadian, the review essays and reviews consider international work of interest to Canadian labour studies. Many of *Labour's* articles are illustrated.

REVUE D'ÉTUDES
OUVRIÈRES CANADIENNES

Publiée par le Comité canadien sur l'histoire du travail, la revue *Labour/Le Travail* a fait paraître depuis 1976 plusieurs articles marquants dans le domaine de l'histoire de la classe ouvrière, de la sociologie industrielle, de l'économie du travail et des relations industrielles. Bien qu'elle se propose d'abord d'étudier les travailleurs et les travailleuses du Canada dans une perspective historique, la revue est aussi ouverte aux spécialistes d'autres disciplines. En plus des articles, la revue publie des documents, des rapports de conférences, une bibliographie annuelle, des notes critiques et des comptes rendus de volumes. Si la plupart des articles touchent le Canada, les notes critiques et les comptes rendus portent sur des travaux d'envergure internationale pouvant intéresser les chercheurs canadiens. Des illustrations accompagnent plusieurs articles de *Labour/Le Travail*.
