D'UN SEPTEMBRE à l'autre FROM ONE SEPTEMBER to Another

Espace publiait son premier numéro en septembre 1987. Voilà 15 ans maintenant... au cours desquels nous avons tenté de mieux faire connaître le parcours des artistes particulièrement intéressés par la « troisième » dimension. Nous leur rendons hommage aujourd'hui en nommant tous ces créateurs dont le travail a alimenté les pages de la revue au long de toutes ces années.

Espace published its first issue in September 1987. Now, 15 years later, we are still attempting to make the work of artists better known, particularly with respect to the "third" dimension. Today, we are paying homage to the artists, naming everyone whose work has fuelled the pages of the magazine throughout the years.
