UNPUBLISHED PAPERS/ COMMUNICATIONS NON IMPRIMÉES

Unfortunately, it is not possible to print all the papers presented at the Annual Meetings in Historical Papers. The following do not appear in this issue. Many, however, are scheduled for printing elsewhere and persons interested in them should contact the individual authors.

Malheureusement, il est impossible de faire paraître dans Communications historiques tous les travaux présentés à la réunion annuelle. Les suivants n'ont pu être imprimés dans ce numéro. Plusieurs, néanmoins, seront publiés ailleurs: les lecteurs intéressés n'ont qu'à s'adresser aux auteurs.

Editor's Note: Due to an oversight, Murray W. Nicolson's paper presented at the 1980 CHA annual meeting in Montreal was omitted from last year's listing in *Historical Papers* of unpublished papers. It has subsequently been printed:

Note de la rédaction: Le titre de la communication présentée par Murray W. Nicolson au congrès annuel de 1980, à Montréal, a malencontreusement été oublié dans la liste des communications non-imprimés. Le texte a été publié depuis:
