JOAN RITCEY

We are primarily concerned with listing selected publications and studies related to Newfoundland and Labrador for the year 1990. However, certain items missed in our earlier bibliographies have been inserted. For bibliographical information about articles in *Newfoundland Studies*, see the annual index published in the Fall number.

We are grateful to those subscribers, colleagues, and friends who called to our attention publications of which we might otherwise have been unaware. We welcome their continued support.
