## ***Contributors***

**Jon Caulfield** is an assistant professor of social science at York University. His recent research interests include the image of Canadian cities in painting and the process of urban "gentrification."

**Professor Thomas F. McIlwraith** is a member of the Geography Department of the University of Toronto on the Erindale Campus in Mississauga. He has had a long-standing interest in transport and building technology, and is currently exploring the geography of ships' ballast on the seas and the Great Lakes during the 19th century.
