ERRATA

Article by Garo CHICHEKIAN, *A Study of the Changes in the Distribution and Mobility of Armenians in the Montréal Region, 1972-1979*, Cahiers de géographie du Québec, vol. 25, n° 65, septembre 1981: 169-195.

1. Table 2 should have been printed on p. 174 and figure 2 on p. 173, in order to follow the order of reference in the text.
2. At the bottom of figure 6, the following note should have been printed to avoid possible confusion: «the thickness of the lines is proportionate to the number of people moving inside and outside of a given sector». The necessity of the above is due to the fact that the original illustration has been changed in format without prior notification of the author.
3. Table 9 on p. 189 should have been printed on p. 190, above figure 10 on p. 190 to follow the order of reference in the text.
