I have examined the statements of Receipts and Disbursements and Reserve Account for the year ended February 28th, 1965 and have verified the cash balance and bonds as shown therein.

In my opinion, the above and accompanying statements of Booklet, Travel, Reserve Account and A. B. Corey Prize Fund, show correctly the cash on hand and in bank and investment in bonds as at February 28th, 1965 and the Association's receipts and disbursements for the year ended on that date.
