REGISTER OF POST-GRADUATE DISSERTATIONS

At the urgent request of the Canadian Historical Association, the Public Archives of Canada has undertaken to compile and maintain a Register of Post-Graduate Dissertations currently in progress in history and related subjects. The register will be a continuation of the list of post-graduate theses in Canadian history which has been published for many years in the *Canadian Historical Review*. It is proposed, however, that the new list be expanded to include theses in all fields of history and related subjects on preparation in Canada, and as circumstances permit it is hoped to add theses on Canadian history and related subjects in progress at the principal foreign universities.
