Contributors/Collaborateurs

Ronald Rudin is an associate professor of history at Concordia University. He is currently working on a study of banking in Quebec from 1835 to 1925. [Professor R. Rudin, Department of History, Loyola Campus, Concordia University, 7141 Sherbrooke Street West, Montreal, Quebec, H4B 1R6.]

J.E. Tunbridge is an associate professor of geography at Carleton University and has published several papers relating to evolution and conservation in urban areas. [Professor J.E. Tunbridge, Department of Geography, Carleton University, Ottawa, Ontario, K1S 5B6.]

Leonard K. Eaton has taught at the University of Michigan since 1950. He has also been a visiting professor at Wayne State University, Michigan State University and the University of Victoria and has lectured at the universities of Manitoba, Saskatchewan and British Columbia. [Professor L.K. Eaton, College of Architecture and Urban Planning, University of Michigan, Ann Arbor, Michigan, 48109.]

Mary Ellen Cavett is an honours student in geography at the University of Winnipeg. Her principal fields of interest are urban and recreation geography. [Ms. M.E. Cavett, Department of Geography, University of Winnipeg, 515 Portage Avenue, Winnipeg, Manitoba, R3B 2E9.]

H. John Selwood is a member of the University of Winnipeg Geography Department. His principal field of interest is the examination of urban development processes, particularly as they affect western Canadian townscapes. [Professor H.J. Selwood, Department of Geography, University of Winnipeg, 515 Portage Avenue, Winnipeg, Manitoba, R3B 2E9.]

John C. Lehr is a member of the Geography Department at the University of Winnipeg. His research interests focus on the historical geography of western Canada and the geography of outdoor recreation. [Professor John C. Lehr, Department of Geography, University of Winnipeg, 515 Portage Avenue, Winnipeg, Manitoba, R3B 2E9.]
