The Far North Atlantic: Seeking the lost parents of Earth’s youngest oceanic basins

Geology and Metallurgy: Contrasting, complementary and coalescing views of ore-forming systems

Science versus Statutes: How do we educate those who regulate?
A journal published quarterly by the Geological Association of Canada, incorporating the Proceedings.

Subscriptions: Receiving four issues of Geoscience Canada per year for $50 is one of the benefits of being a GAC member. To obtain institutional subscriptions, please contact Érudit: www.erudit.org

Photocopying: The Geological Association of Canada grants permission to individual scientists to make photocopies of one or more items from this journal for non-commercial purposes advancing science or education, including classroom use. Other individuals wishing to copy items from this journal must obtain a copying licence from Access Copyright (Canadian Copyright Licensing Agency), 1 Yonge Street, Suite 1900, Toronto, Ontario M5E 1E5, phone (416) 868-1620. This permission does not extend to other kinds of copying such as copying for general distribution, for advertising or promotional purposes, for creating new collective works, or for resale. Send permission requests to Geoscience Canada, at the Geological Association of Canada (address above).

La photocopie: L'Association géologique du Canada permet à tout scientifique, de reproduire une ou des parties du présent périodique, pour ses besoins, à condition que ce soit dans un but non-commercial, pour l'avancement de la science ou pour des buts éducatifs, y compris l’usage en classe. Toute autre personne désirant utiliser des reproductions du présent périodique doit préalablement obtenir une licence à cet effet d’Access Copyright (Canadian Copyright Licensing Agency), 1 Yonge Street, Suite 1900, Toronto, Ontario M5E 1E5, Tél.: (416) 868-1620. L’autorisation susmentionnée exclut toute autre reproduction, telle la reproduction pour fins de distribution générale, de publicité ou de promotion, pour la création de nouveaux travaux collectifs ou pour la revente. Faites parvenir vos demandes d’autorisation à Geoscience Canada, au soin de l’Association géologique du Canada (voir l’adresse indiquée ci-dessus).

Those wishing to submit material for publication in Geoscience Canada should refer to the Instructions to Authors on the journal’s website, www.geosciencecanada.ca

AUTHORS PLEASE NOTE:
Please use the web address http://journals.hil.unb.ca/index.php/GC/index for submissions; please do not submit articles directly to the editor.

The Mission of the Geological Association of Canada is to facilitate the scientific wellbeing and professional development of its members, the learned discussion of geoscience in Canada, and the advancement, dissemination and wise use of geosciences in public, professional and academic life. Articles in Geoscience Canada are freely available one year after their publication date, unless authors have arranged for immediate open access. Opinions expressed and interpretations presented are those of the authors and do not necessarily reflect those of the editors, publishers and other contributors. Your comments are welcome.

Cover Image: The North Atlantic spreading system, showing the ages of oceanic crust, spreading axes, cotemporaneous igneous rocks and postulated hotspot tracks. For data sources and an alternative tectonic hypothesis, see Peace et al., in this issue.
