ANNUAL MEETING OF CSHPS

The annual meeting of the Canadian Society for History and Philosophy of Science will take place in early June at the University of Saskatchewan, Saskatoon. At least one session on Canadian science and technology will be arranged. Anyone (who is a member of the society or not) who wishes to give a paper or report on work-in-progress, should contact the programme chairman, Prof. Larry Stewart, Dept. of History, University of Saskatchewan, Saskatoon S7N 0W0.

ANNUAL MEETING OF CSHM

The Canadian Society for the History of Medicine will meet at the same time as CSHPS at Saskatoon; Prof. Stewart will be arranging joint sessions of the two groups.

HAMILTON WATERWORKS ART COLLECTION

Dr William James of McMaster University who, with his wife recently published A Sufficient Quantity of Pure and Wholesome Water, a history of the old Hamilton pumphouse, has produced a catalogue of drawings of the waterworks. This collection, some 200 pen-and-ink and watercolour pictures, is now housed at the McMaster University Library. The pictures date from 1854 to 1940. The catalogue may be obtained from him (127 Dalewood Cres., Hamilton, Ontario L8S 4B8).
