## ERRATUM

The following portion of a sentence was inadvertently left out of the article by R.A. Richardson and B.H. MacDonald, 'Problems and Challenges in the History of Canadian Science and Technology Revisited: the Making of a Bibliography,' in No. 32. The first sentence on page 20 should begin:

'In 1973, Richardson, in his examination of a number of critical issues affecting the promotion and growth of studies bearing on science, medicine and technology in Canadian history, stressed the paramount. . . .'

Our apologies for any inconvenience this caused.
