PROGRESS IN ART
By Andrée PARADIS

There is a close connection between art and culture: that of the evolution of artistic expression. If the arts change with time, it is because the cultures to which they belong also change. And the times themselves determine general characteristics easily observed in the expression of different cultures. Thus Wolfflin points out what a head by Holbein, without the national im-
print being erased, will always in principle re-
sist being refaced. Thus a head by Holbein, without the national im-
